

NAM 2016: CARERS' GRANTS

Application Form

The RAS has established a carers' grant scheme for the 2016 National Astronomy Meeting (NAM 2016), to give eligible delegates a grant towards **additional costs** of paying for care when attending the conference. This will be available on a trial basis for NAM 2016, after which it may be made permanent and available for other conferences.

Applications may be submitted at any time, up until 27 May 2016, and confirmation of eligibility will normally be given within two weeks. Payment will be made on completion of a short form following attendance at the event. Retrospective awards will not normally be considered.
